

## 片平賞 (Katahira Award)

### KATAHIRA AWARD

The Katahira Award was established in January 1991 in memory of the late Dr. Nobutaka Katahira, President of REAAA during 5<sup>th</sup> Council Term 1983-1986.

The Katahira fund was established with the main objective of encouraging keen participation among young engineers in the promotion and advancement of science and technology in road development and road related engineering. It is contributing to REAAA to obtain quality technical papers for its journal publication, conferences and seminars. It is also an excellent opportunity for road authorities, academicians, researchers, institutions and consultants to share their research, knowledge and new technology.

Katahira Award will be awarded to outstanding technical papers presented in the REAAA Conference by young professionals. The winner (s) will receive cash award (s) and certificate (s).
